

IGNITE Training Navigation

Are you a **graduate student** or a **postdoctoral fellow** applying for a **fellowship** or **career development award**?

Learn how to create a compelling **NIH biosketch** that demonstrates to reviewers that you are the best candidate for a grant.

Online NIH Biosketch Workshop

Fri, June 28, 2024, 12-1 p.m. CDT

Topics Covered

- Scored review criteria of NIH fellowships (F30/F31/F32) and career development awards (K99/R00, K01, K08)
- How to effectively use your NIH biosketch to address merit descriptors for the Applicant/Candidate
- Step-by-step and practical advice for preparing and structuring your NIH biosketch to feature your contributions to science and your potential as a young investigator
